Summers 2010-2011

Patent Agent Assistant

Supervisors: Lynn Schumacher, Ph.D. and Nancy Hill, LL.B.

Performed all aspects of patent prosecution. Under the supervision of two patent agents, met with clients to discuss their inventions, drafted full patent applications, provisionals, divisionals, continuations-in-part, and Patent Cooperation Treaty (PCT) applications for those inventions, and responded to office actions from the government. Performed these duties for Canadian, American, European, and Japanese jurisdictions.
